

Lesson plan

Age Group: 6-8 years old

Activity Type: Game **Craft** Activity

Title of Activity: Nature Collage Art

Lesson objectives:

- Encourage creativity using natural materials.
- Develop fine motor skills through cutting and gluing.
- Foster appreciation for nature and outdoor exploration.
- Promote teamwork and sharing when gathering materials.

Resources/ Location:

Outdoors (park, campgrounds, or garden area) and indoor craft space (tables and chairs).

Materials:

- Construction paper or cardboard (as the base)
- Glue sticks and liquid glue
- Child-safe scissors
- Natural materials (leaves, flowers, twigs, pebbles, grass)
- Markers and crayons
- Small baskets or bags for collecting nature items
- Gloves

Instructions:

1. Game/ Ice breaker (5min) -
 - a) Go around a circle and introduce yourself and your hobby/ favorite thing to do.
 - b) Game of telephone: one person in the circle starts with a phrase and is whispered around the circle and the last child says out loud what they heard.
2. Introduction to activity (5 min): Gather the group and explain the activity. Show an example of a finished nature collage.
3. Nature Hunt (15 min): Go outside and let the children collect natural materials. Remind them to pick items already on the ground (no picking life plants).
4. Design Time (20 min): Return indoors. Give each child a base sheet. Encourage them to arrange their materials before gluing.
5. Create (20 min): Assist children with gluing their items onto the base. They can add drawings and color around the collage to complete their art.
6. Show & tell (10 min): Let children show their collage to the group and talk about what they found and created.

Notes/ Extras:

- Remind children about safety: no running while collecting, and wash hands after handling natural materials.
- Check for any allergies (pollen, grass, etc.) before starting.
- Have extra materials ready in case some children find fewer items.
- Encourage positive comments during "Show & Share" to build confidence.
- Makes sure the student wear the glove properly.
